Book Synopsis

Elevate your leadership skills There are good leaders, then there are exceptional leaders. The answer to, ?What makes a leader exceptional?? is simple: competencies. Competencies are a set of professional and personal skills, knowledge, values, and traits that guide a leader?s performance. This new book focuses on the 16 key competencies that distinguish good leadership and great leadership. Each of the 16 competencies is explored in a chapter that:

- Defines the competency and why it is important
- Provides examples of the competency in action
- Explains the common skill deficits that prevent mastery of the competency
- Discusses how the competency can be misused or overused
- Provides advice on how to develop the competency
