Book Synopsis

Farah is fabulous in a lot of different ways, but the one way she's not is how she brushes her teeth...or doesn't! However, when her mom tells her about the dreaded Sugar Bugs and how they'll find her if she doesn't brush her teeth, Farrah thinks she's far too fabulous for the Sugar Bugs and completely ignores her mom. But when school picture day comes around, Farrah is horrified that her fabulous smile has been compromised by the Sugar Bugs! With the Sugar Bugs telling her exactly what they're going to do to her teeth, will Farrah overcome her stubbornness and learn to brush her teeth, or is she doomed to get a yucky, mucky cavity after all?
