
PDF Cancer Pharmacology and Pharmacotherapy Review: Study Guide for Oncology Boards and MOC Exams - Audiobooks

Book detail

- Title : PDF Cancer Pharmacology and Pharmacotherapy Review: Study Guide for Oncology Boards and MOC Exams - Audiobooks
- isbn : 162070076X

Book Synopsis

Cancer Pharmacology and Pharmacotherapy Review is the first book devoted entirely to providing the 'must-know' facts on each cancer agent?including their pharmacokinetics, FDA-approved indications, toxicity, interactions, and other important information that is commonly found on board examinations and essential for any clinician or practitioner to review . The authors, an oncologist and two pharmacists, have developed a handy question-and-answer format to present the material in digestible bursts. As the pharmacology section continues to represent a major portion of the medical oncology exam and a key component on oncology MOC exams, this portable study guide will help prepare anyone looking to fine-tune their knowledge on cancer drugs before the test.
