Book Synopsis

Succeed on the NBME shelf exam and your surgery rotation with Shelf-Life Surgery, a brand new pocket-sized question book packed with 500 high-quality questions and answers that align with current NBME content outlines. You can increase your understanding with each question you answer as you go over the detailed rationales that include explanations for not only the correct answer choice, but all distractors. You can maximize your prep time with answers following each question - no page flipping! You can prepare for boards with confidence - the book's 500 questions and answers align directly with current NBME content outlines. You can increase your visual understanding of key content with the four color design and approximately 100 clinical images, such as clinical photos, x-rays, CTs, and EEG strips. You can extend your learning beyond the book with the online question bank that contains all the book questions in digital format for study on the go.
